

**PDHC SPONSOR
PROSPECTUS
2026**

We invite you to join and
sponsor us in this great
adventure!

PDHC Mission

Our mission is to support peptide drug hunting through shared knowledge, mentorship and sponsorship of innovative science & technology Initiatives to improve prospective outcomes.

Vision

Our vision is to enable the worldwide business enterprise of peptide drug hunters via networking investors, academia, biotech, pharma, contract R&D organizations, service providers.

Our Peptide Drug Hunting Modus Operandi

PDHC Leadership Team: 12 Highly accomplished peptide drug hunters from biotech, pharma, venture capital & academia

PDHC Entrepreneurial Advisory Board (EAB): ~130 members (top scientists from biotech, pharma, investors, contract R&D organizations, R&D service providers, and academia)

PDHC Entrepreneurial Business Network (EBN): ~50 members and quickly gaining high interest from all sectors worldwide (recently launched; expecting to achieve ~200 members)

PDHC LinkedIn: ~3,500 Followers (highly engaging posts)

PDHC Website: Designed to strongly enable communication to all members, encourage business development at many levels, orchestrate PDHC's inaugural Initiatives, and share membership publications & news (our PDHC Chronicle, Peptide Drug Hunting)
